## BOOK SYNOPSIS

In the nearly three years since the publication of the ActivEpi companion text, the authors received several suggestions to produce an abbreviated version that narrows the discussion to the most "essential" principals and methods. A Pocket Guide to Epidemiology contains less than half as many pages as the ActivEpi Companion Text and is a stand-alone introductory text on the basic principals and concepts of epidemiology.

**A POCKET GUIDE TO EPIDEMIOLOGY** - Are you looking for Ebook A Pocket Guide To Epidemiology?
