BOOK SYNOPSIS

In *Ungifted*, cognitive psychologist Scott Barry Kaufman—who was relegated to special education as a child—offers a new way of looking at intelligence. He explores the latest research in genetics, neuroscience, and psychology to challenge the conventional wisdom about the childhood predictors of adult success, arguing for a more holistic approach to intelligence that takes into account each individual's abilities, engagement, and personal goals. Combining original research and a singular compassion, *Ungifted* increases our appreciation for all different kinds of minds and ways of achieving both personally meaningful and publicly recognized forms of success.

BE DIFFERENT MY ADVENTURES WITH ASPERGERS AND MY ADVICE FOR FELLOW ASPERGIANS MISFITS FAMILIES AND TEACHERS

- Are you looking for Ebook *Be Different My Adventures With Aspergers And My Advice For Fellow Aspergians Misfits Families And Teachers*?
