BOOK SYNOPSIS

Focusing on the classic methods of icon painting and its rich history, this detailed and practical guide covers everything, from the materials needed and how to prepare a panel to adding inscriptions and finishing off using traditional Byzantine techniques. It explains the origins and principles of icon painting; how to choose a subject; the technique of sacred geometry; the use of color, varnishing, and egg tempera; and how to use traditional gilding techniques. Part of the icons symbolism is transmitted in the techniques used to create it and this is explored throughout. With in-depth information, step-by-step demonstrations, invaluable advice, and many superb examples of finished icons, this is the most comprehensive guide to the philosophy and practice of icon painting.
